

SC Governor's School for Agriculture

AT JOHN DE LA HOWE

Dear Community Partner:

The South Carolina Governor's School for Agriculture at John de la Howe will host its annual Ag Fest on Saturday, March 2, 2024 on our school campus. This day-long gathering of students, staff and community members for livestock competitions, horse show, field trial event and fishing tournament is our school's signature annual springtime event.

Hundreds of people join us each year for Ag Fest. This year, we are publishing a commemorative booklet as a keepsake from this annual celebration of agricultural education. We are asking for your support by inviting you to purchase an advertisement in this commemorative booklet. Attached is a breakdown of the available levels of support and ad sizes.

Proceeds from this commemorative booklet will help present this valuable educational opportunity for our students and others who participate in this event. Ag Fest is the largest outdoor livestock show in South Carolina and is a wonderful chance to spotlight deserving young people a head start and encourage them realizing their fullest potential as the future leaders of agriculture in this state and around the country.

Thank you in advance for supporting this great cause, and we hope you will make plans to join us on Saturday, March 2 at Ag Fest.

Sincerely,

Gregory Thompson, Principal
S.C. Governor's School for Agriculture
at John de la Howe
